Staff Contact: Arturo Rubio, (915) 212-1613, rubioax@elpasotexas.gov

Art Rubio, Lead Planner, gave a presentation and noted that this item was postponed at the last City Plan Commission meeting to add more specifics on the sections that needed to be included as part of the amendment. The amendment proposes to include temporary places of assembly uses such as sporting events and truck repair in (P-I) Planned Industrial District and athletic facilities and sports arenas in M-1 (Manufacturing) zone district. The proposed amendment is intended to calibrate conventional Zoning Code to allow appropriate uses in industrial areas in response to the significant obsolescence of heavy manufacturing and industrial uses in areas within the City of El Paso.
